

**HelpAWS** (which stands for Help Animal Welfare St Lucia) is a Non-Profit Animal Rescue Organization founded by Canadian, Charlene Penney in 2013. We at HelpAWS believe that every animals as the right to be healthy, happy, and free from abuse, neglect, and cruelty

We focus on three key areas: -

**1. High volume spay and neuter clinics**

So far HelpAWS has organized 5 clinics that have spayed and neutered a total of 2400 dogs and cats! These clinics are held biannually and islandwide. HelpAWS also does TNR programs for feral cats

**2. Rescuing animals considered beyond hope**

On any given day there are on average around 40 dogs in HelpAWS facilities with another 50 dogs around the island being fed on a daily basis by volunteers.

**3. Adopting out animals both locally and internationally**

HelpAWS has adopted out over 300 animals both locally and internationally with HelpAWS pups reaching as far as Germany, Canada, and the USA.

**Help us, Help them!**

**\*Donate:** We rely solely on donations and any finical support toward veterinarian costs, food, and basic animal care is very welcome and appreciated! Donations can be made through our website at [www.helpaws.com/donate](http://www.helpaws.com/donate)

**\*Bring Supplies:** We are are constantly in need of supplies for all the animals in our care. Supplies are costly and difficult to find in St. Lucia so we are always in need of small collars, toys, dog beds, anti flea and tick meds, medium size hard-sided dog kennels, dog bowls, treats, etc. You can also help our rescue efforts by donating dog and cat food, purchased locally!

**\*Sponsor:** We send many dogs to Canada and the US with cargo which is very costly. If you wish to help a dog or cat find a new home overseas, sponsoring an animal is one of the most valuable ways to make a difference in the life of one of our rescued animals.

**\*Foster or Adopt:** Are you looking to expand your family with a furry friend? You can either do so by fostering or adopting one of our dogs. We have many animals constantly in need of a temporary or forever home.
